

## *HAWC Holiday Wish List 2008*

*Thank you for your generosity!*

\*In light of the current economy, we would like to encourage our holiday store supporters to consider contributing to a family's heating and utility expenses this winter. We generally receive more than enough toys to accommodate all of our families, so if you would consider applying part of your usual holiday store donation toward utilities this winter that would be especially helpful to our clients. Gas cards would also be greatly appreciated. Thank you!

Please contact Alicia Weaver at (978) 744-2299 ext. 27 if you would like to help in this way.
